

# Sabrina Carpenter, Bed Chem

[Verse 1]

I was in a sheer dress the day that we met  
We were both in a rush, we talked for a sec  
Your friend hit me up so we could connect  
And what are the odds? You send me a text  
And now the next thing I know, I'm like  
Manifest that you're oversized  
I digress, got me scrollin' like  
Out of breath, got me goin' like

[Pre-Chorus]

Ooh (Ah)  
Who's the cute boy with the white jacket and the thick accent? Like  
Ooh (Ah)  
Maybe it's all in my head

[Chorus]

But I bet we'd have really good bed chem  
How you pick me up, pull 'em down, turn me 'round  
Oh, it just makes sense  
How you talk so sweet when you're doin' bad things  
That's bed (Bed) chem (Chem)  
How you're lookin' at me, yeah, I know what that means  
And I'm obsessed  
Are you free next week?  
I bet we'd have really good

[Verse 2]

Come right on me, I mean camaraderie  
Said you're not in my timezone, but you wanna be  
Where art thou? Why not uponeth me?  
See it in my mind, let's fulfill the prophecy

[Pre-Chorus]

Ooh (Ah)  
Who's the cute guy with the wide, blue eyes and the big bad mm? Like  
Ooh (Ah)  
I know I sound a bit redundant

[Chorus]

But I bet we'd have really good bed chem  
How you pick me up, pull 'em down, turn me 'round  
Oh, it just makes sense (Oh, it just makes sense)  
How you talk so sweet when you're doin' bad things (Bad)  
That's bed chem (Oh, that's bed chem)  
How you're lookin' at me, yeah, I know what that means  
And I'm obsessed (So obsessed)  
Are you free next week?  
I bet we'd have really good (Bed chem)

[Bridge]

And I bet we'd both arrive at the same time (Bed chem)  
And I bet the thermostat's set at six-nine (Bed chem)  
And I bet it's even better than in my head (My)

[Chorus]

How you pick me up, pull 'em down, turn me 'round (Ooh)  
Oh, it just makes sense (Oh, it just makes sense)  
How you talk so sweet when you're doin' bad things  
That's bed chem (Oh, that's bed chem)  
How you're lookin' at me, yeah, I know what that means  
And I'm obsessed (So obsessed)  
Are you free next week? (Are you free next week?)  
I bet we'd have really good

[Outro]  
Ha (Make me go), ha  
No-no-no  
Ha (Make me go), ha  
No-no-no, no, oh no, oh  
Ha (Make me go), ha (Yeah, yeah)  
No-no-no, oh  
Ha (Make me go), ha  
Ooh, oh, baby  
(A little fade out?)
