Sabrina Carpenter, Can't Blame a Girl for Trying

Here I am again, the same old situation Why does the guy think have to be so complicated? I should've played it cool, instead I've made a fool Oh, the things I do

'Cause I'm young and I'm dumb I do stupid things when it comes to love And even if I always end up crying Well, you can't blame a girl for trying

No, you can't blame a girl for trying

I should've shut my mouth, I could've kept it quiet I might have freaked him out 'cause I was so excited But I just couldn't wait, I took a leap of faith Oh, the things I say

'Cause I'm young and I'm dumb I do stupid things when it comes to love And even if I always end up crying Well, you can't blame a girl for trying

No, you can't blame a girl for trying

And I think sometimes I tend to be my own worst enemy And maybe someday I'm gonna catch a shooting star falling out of the blue Do what I do

And just as I'm giving up, my heart is palpitating Here comes another one and I'm so intoxicated Being where I've been I know that in the end I'll do it all again

'Cause I'm young and I'm dumb I do stupid things when it comes to love And even if I always end up crying Well, love will find me, there ain't no denying

That you can't blame a girl for trying No, you can't blame a girl for trying
