

# Sabrina Carpenter, Christmas the Whole Year Round

One, two, one, two, three

Let's make the whole year christmas  
No reason to forget this  
Feeling we're feeling now  
We gotta keep it going all year round

Let's keep the sleigh bells ringing  
We'll keep the whole world singing  
Feels so good, what's done now?  
Let's make christmas the whole year round  
Da da da da da da da da  
Da da da da da da da da

I don't care when snow stops falling down  
Santa's come and gone, yeah he's left town  
I don't need a christmas tree  
Mistletoe or red and green  
All I need is you next to me  
To make every night Christmas Eve

Let's make a whole year christmas  
No reason to forget this  
Feeling we're feeling now  
We gotta keep it going all year round

Let's keep the sleigh bells ringing  
We'll keep the whole world singing  
Feels so good, what's done now?  
Let's make christmas the whole year round

Da da da da da da da da  
Da da da da da da da da

When all those pretty lights have been put away  
And old rudolph is gone on holiday  
Oh, we'll keep that fire burning  
Though the calender is turning  
Watch everyone pay in full  
When we can have three hundred sixty-four more

Let's make a whole year christmas  
No reason to forget this  
Feeling we're feeling now  
We gotta keep it going all year round

Let's keep the sleigh bells ringing  
We'll keep the whole world singing  
Feels so good, what's done now?  
Let's make christmas the whole year round

I don't need a christmas tree  
Mistletoe or red and green  
All I need is you next to me  
To make every night Christmas Eve

Let's make the whole year christmas  
No reason to forget this  
Feeling we're feeling now  
We gotta keep it gone all year round

Let's keep the sleigh bells ringing  
We'll keep the whole world singing  
Feels so good, what's done now?

Let's make christmas the whole year round  
Make christmas the whole year round
