

# Sabrina Carpenter, Good Graces

(I won't give a fuck about you)  
Oh, mm  
(I won't give a fuck about you)  
Mmm

When I love you, I'm sweet like an angel  
Drawin' hearts 'round our names  
And dreamin' of writing vows, rockin' cradles  
Don't mistake my nice for naïve

I don't waste a second, I know lots of guys  
You do somethin' suspect, this cute ass bye-bye  
Like, ooh  
Baby, you say you really like it being mine?  
So let me give you some advice

Boy, it's not that complicated  
You should stay in my good graces  
Or I'll switch it up like that so fast  
'Cause no one's more amazin'  
At turnin' lovin' into hatred  
Boy, it's not that complicated  
You should stay in my good graces  
Or I'll switch it up like that (Like that) so fast (So fast)  
'Cause no one's more amazin'  
At turnin' lovin' into hatred

I won't give a fuck about you  
I won't give a fuck about you  
I won't give a fuck about you  
That was cool  
I won't give a fuck about you (Oh)  
I won't give a fuck about you  
I won't give a fuck about you  
Yeah

I'll tell the world you finish your chores prematurely  
Break my heart and I swear I'm movin' on  
With your favorite athlete  
Shoot his shot every night

Want you every second, don't need other guys  
You do somethin' sus, kiss my cute ass bye

Boy, it's not that complicated  
You should stay in my good graces  
Or I'll switch it up like that so fast  
'Cause no one's more amazin' (Amazin')  
At turnin' lovin' into hatred  
Boy, it's not that complicated (No)  
You should stay in my good graces (Yeah)  
Or I'll switch it up like that (Like that) so fast (So fast)  
'Cause no one's more amazin'  
At turnin' lovin' into hatred

I won't give a fuck about you  
I won't give a fuck about you  
I won't give a fuck about you  
Oh, no  
I won't give a fuck about you (Oh)  
I won't give a fuck about you  
I won't give a fuck about you  
Oh

No, I won't  
I won't give a fuck about you, no, I won't  
(I won't, I won't, I won't)  
No, I won't  
I won't give a fuck about you, no, I won't  
(I won't, I won't, I won't)
