

Sabrina Carpenter, I Can't Stop Me (ft. Saweetie)

I can't stop me, I can't stop me
Icey
I can't stop me, I can't stop me

Miami Vice, with the L.A. lights
We joy ride, late in the night
I don't mind, you know what you like
Yeah, you know what you like

Dressin' up by dressin' down
You got me feelin' so new
Say we should go downtown (go downtown)
Wake me up to lay me down
It's not like me to assume
We're going out of bounds (out-out-out of bounds)

Baby, you could say you're bad for me
But who are you to tell me what I need
'Cause I like what I like, what I li-li-like
Yeah, I like what I li-li-like

Baby, you could say you're bad for me
But who are you to tell me what I need
'Cause I like what I like, what I li-li-like
Yeah, I like what I li-li-like

Ay, I can't stop me
I can't stop, I can't, I can't stop, yeah
I can't stop, no, I can't stop me, I can't stop me
I can't stop, I can't, I can't stop me
I can't stop, no I can't stop me, I can't stop me

All this room, on top of the roof
If it's up to me, baby you do you
No, I don't mind (I don't mind), you know what you like (You know what I like)
Yeah, you know what you like

Dressin' up by dressin' down
You got me feelin' so new
Say we should go downtown (Oh, we should go downtown)
Wake me up to lay me down
It's not like me to assume
We're going out of bounds (Take me out of bounds)

Baby, you could say you're bad for me
But who are you to tell me what I need
'Cause I like what I like, what I li-li-like
Yeah, I like what I li-li-like (What I, what I like, yeah)

Baby, you could say you're bad for me (You bad for me)
But who are you to tell me what I need
'Cause I like what I like, what I li-li-like
Yeah, I like what I li-li-like (What I, what I like, aye)

(I can't stop me)
I can't stop, I can't, I can't stop (No, no)
I can't stop, no, I can't stop me, I can't stop me
I can't stop, I can't, I can't stop (Yeah, yeah)
I can't stop, no I can't stop me, I can't stop me

Ice on, ice on, ice on me
All the things I like on me
Louis Vuitton, all the spikes
Louis Vuitton, name the price

I like my whips exotic
I like my nights erotic, yeah
Pussy so aquatic
So it make that boy psychotic
Ice all in my mouth
Snowfall when I'm talking loud
Yeah, he always want me with him
Show me off, 'cause he's so proud
Back and forth, I hop up on it
He like when I call the shots
Told him, drop the top up off the foreign
And don't ever stop

Baby, you could say you're bad for me
But who are you to tell me what I need
'Cause I like what I like, what I li-li-like
'Cause I like what I li-li-like (What I, what I like, yeah)

Baby, you could say you're bad for me
But who are you to tell me what I need
'Cause I like what I like, what I li-li-like
Yeah, I like what I li-li-like (What I, what I like, yeah)

I can't stop me, I can't help myself
(I can't stop me, I can't stop me)
No, I can't stop me, I can't help myself
(I can't stop me, I can't stop me)
