Sabrina Carpenter, I Still Haven't Found What I'm

I have climbed the highest mountains I have run through the fields Only to be with you Only to be with you

I have run, I have crawled I have scaled these city walls These city walls Only to be with you

But I still haven't found What I'm looking for But I still haven't found What I'm looking for

I have kissed honey lips Felt the healing in her fingertips It burned like fire This burning desire

I have spoke with the tongue of angels I have held the hand of a devil It was warm in the night I was cold as a stone

But I still haven't found What I'm looking for But I still haven't found What I'm looking for

He will lift you higher and higher He will lift you up when you fall He will be your shelter from a storm

I believe in the Kingdom Come Then all the colors will bleed into one Bleed into one But yes, I'm still running

You broke the bonds And you loosed the chains Carried the cross of my shame Of my shame, you know I believe it

But I still haven't found What I'm looking for But I still haven't found What I'm looking for

But I still haven't found What I'm looking for But I still haven't found What I'm looking for
