

# Sabrina Carpenter, Juno

[Intro]  
(Ooh, ah, ooh)

[Verse 1]  
Don't have to tell your hot ass a thing  
Oh yeah, you just get it  
Whole package, babe, I like the way you fit  
God bless your dad's genetics, mm, uh

[Pre-Chorus]  
You make me wanna make you fall in love  
Oh, late at night, I'm thinking 'bout you, ah, ah, ah  
Wanna try out my fuzzy pink handcuffs?  
Oh, I hear you knockin', baby, come on up

[Chorus]  
I know you want my touch for life  
If you love me right, then who knows?  
I might let you make me Juno  
You know I just might  
Let you lock me down tonight  
One of me is cute, but two though?  
Give it to me, baby  
You make me wanna make you fall in love (Oh)

[Verse 2]  
I showed my friends, then we high-fived (Oh-oh)  
Sorry if you feel objectified (Oh)  
Can't help myself, hormones are high  
Give me more than just some butterflies

[Pre-Chorus]  
You make me wanna make you fall in love  
Oh, late at night, I'm thinking 'bout you, ah, ah, ah  
Wanna try out some freaky positions?  
Have you ever tried this one?

[Chorus]  
I know you want my touch for life  
If you love me right, then who knows?  
I might let you make me Juno  
You know I just might  
Let you lock me down tonight  
One of me is cute, but two though?  
Give it to me, baby  
You make me wanna make you fall in love

[Bridge]  
Adore me  
Hold me and explore me  
Mark your territory  
Tell me I'm the only, only, only, only one  
Adore me  
Hold me and explore me  
I'm so fuckin' horny  
Tell me I'm the only, only, only, only one  
[Instrumental Break]

[Chorus]  
Oh, I know you want my touch for life  
If you love me right, then who knows?  
I might let you make me Juno  
You know I just might (Might)  
Let you lock me down tonight

One of me is cute, but two though?  
Give it to me, baby  
You make me wanna make you fall in love
