

# Sabrina Carpenter, santa doesn't know you like i

Santa, doesn't know you like I do  
I've been there through the good and bad  
Know how to make you laugh  
Kiss all your tears away babe  
Only I can do that  
Why don't you just come over  
You've been acting so cold  
No I don't want nothing crazy  
Just wanna get you alone  
And all of the snow is falling  
I can make you fall too  
So tell me whats on your wishlist  
I want to make it come true  
Santa, doesn't know you like I do  
I've been there through the good and bad  
Know how to make you laugh  
Kiss all your tears away babe  
Only I can do that  
Santa, doesn't know you like I do  
I know all of your favorite songs  
Pick up each time you call  
So why can't I be the one  
To give you everything you want  
I just want you to tell me that you feel the same  
I don't think I'm going to make it through the winter babe  
Well don't you want to wrap me up  
And mistle touch under the tree  
He won't bring you somebody that loves you more than me  
Santa, doesn't know you like I do  
I've been there through the good and bad  
Know how to make you laugh  
Kiss all your tears away babe  
Only I can do that  
Santa, doesn't know you like I do  
I know all of your favorite songs  
Pick up each time you call  
So why can't I be the one  
To give you everything you want  
You're going to leave me all alone, on Christmas?  
Baby, what'd I ever do to deserve all that?  
Can't we just like, snuggle?  
Underneath the tree  
By the fireplace  
You know I make those cookies you like  
Santa, doesn't know you like I do  
Well maybe this Christmas time  
You'll finally realize  
That I could be the one  
To give you everything you want
