

# Sabrina Carpenter, Taste

[Zwrotka]

Oh, I leave quite an impression  
Five feet to be exact  
You're wonderin' why half his clothes went missin'  
My body's where they're at

[Pre-Chorus]

Now I'm gone, but you're still layin'  
Next to me, one degree of separation

[Refren]

I heard you're back together and if that's true  
You'll just have to taste me when he's kissin' you  
If you want forever, I bet you do  
Just know you'll taste me too

Uh-huh

[Zwrotka 2]

He pins you down on the carpet  
Makes paintings with his tongue (La-la-la-la-la-la-la)  
He's funny, now all his jokes hit different  
Guess who he learned that from

[Pre-Chorus]

Now I'm gone, but you're still layin'  
Next to me, one degree of separation

[Refren]

I heard you're back together and if that's true  
You'll just have to taste me when he's kissin' you  
If you want forever, I bet you do (I bet you do)  
Just know you'll taste me too

La-la-la-la-la-la-la

[Bridge]

Every time you close your eyes  
And feel his lips, you're feelin' mine  
And every time you breathe his air  
Just know I was already there  
You can have him if you like  
I've been there, done that once or twice  
And singin' 'bout it don't mean I care  
Yeah, I know I've been known to share

[Refren]

Well, I heard you're back together and if that's true  
You'll just have to taste me when he's kissin' you  
If you want forever, I bet you do (I bet you do)  
Just know you'll taste me too

[Outro]

Taste me too (Ow)  
(La-la-la-la-la-la-la)  
You'll just have to taste me when he's kissin' you  
You, no, yeah, uh-uh  
(La-la-la-la-la-la-la)  
You'll just have to taste me when he's kissin' you
