

Sacred Reich, I Don't Know

I don't know what you think I don't know what you want me to be I don't know how you want me to act I've fallen into another trap
I don't know what you want me to be I can't change I can only be me I won't fit into your classifications I won't be tagged by restricting labels
I can't fit into your classifications a nice little package for media conversation I don't know what you want I won't change or play a part
I don't know what you want me to be I can't change I can only be me I won't fit into your classifications I won't be tagged by restricting labels
I don't know what you think I don't know what you want me to be I don't know how you want me to act I've fallen into another trap
I don't know what you want me to be I can't change I can only be me I won't fit into your classifications I won't be tagged by restricting labels
