

# Sacred Rite, Headfirst

The night has come, we're heading for the door  
The rush is big, gets down to the core  
Headfirst tonight is all that's on my mind  
I need it now, don't waste no time

One thing's for sure  
There ain't no cure  
One thing I know  
I can't wait for the start of the show

Goin'  
Headfirst into lovin'  
That's when push comes to shovin'  
Headfirst into lovin'  
Headfirst into...

You got the fire to make the night go on  
I've got desire to have some fun  
You're lookin' hot (yeah!) We need some time alone  
I call the shots, sucked dry to the bone

C'mon, baby, give me your love  
And I'll take you higher  
Don't mess with me, I need you to please  
My desire  
Oh, got me goin'
