

Sacrifice, Decapitation

Feel the wrath of the blow of my sword
Off with the head of your so called lord
Kill all standing in my path
Liquid spray, my bloodbath
Decapitation of the holy men of earth
heads impaled on the cross of the church
Swing of the axe will bring your downfall
Hear my screaming ear piercing call
Slay them, cut off head
Cut off head, cut off head
10 seconds sight in the dismembered head
Torture as you watch yourself dead
I loved to watch your body writhe
Finally it stopped you're no longer alive
