

# Sadaharu, A Deconstructionists Approach To Pop

Yeah, so anesthetize this aesthetic  
we've got this all wrong  
we're inordinately subordinate, enslaved by your fashion

We're nurturing apathy with our philistinism  
Comforted by routine and ancillary acquisition

\*missing lyrics\*

this is the volte-face response to your way of thinking  
this is the refusal to accept what we've let this become  
Yeah

We've got this all wrong (all wrong)  
LET GO  
We've got this all wrong (all wrong)  
LET GO

shed your delicate aloofness one time and let go  
this is the supplemental supplication  
these are the p o l i t i c s of dancing

This is the volte-face response to your way of thinking  
this is the refusal to accept what we've let this become  
Yeah

We've got this all wrong (all wrong)  
LET GO  
We've got this all wrong (all wrong)  
LET GO
