

# Sade, Fear

Blue is the color of the red sky  
Will he, will he come home tonite  
Blue is the color that she feels inside  
Matador, I can't hide my fear anymore  
Azul es el color del rojo cielo  
volvera volvera a mi esta noche  
Azul es el color que siente a dentro  
matador no puedo esconder mi temor

Can she tame the beast that is her fear  
puede domar la fiera que es su temor  
Waiting for her matador  
Will they bring the bad news

Blue is the color that she feels inside  
Matador I can't hide my fear anymore

Azul es el color del rojo cielo  
volvera, volvera a mi esta noche  
Azul es el color que siente a dentro  
Matador no puedo esconder mi temor
