

# Sade, Lovers Rock

[1] - I am in the wilderness  
You are in the music  
In the man's car next to me  
Somewhere in my sadness  
I know I won't fall apart completely

[2] - When I need to be rescued  
And I need a place to swim  
I have a rock to cling to in the storm  
When no one can hear me calling  
I have you I can sing to

[3] - And in all this  
And in all my life

[4] - You are the lovers rock  
The rock that I cling to  
You're the one  
The one I swim to in a storm  
Like a lovers rock

[Repeat 1]  
[Repeat 3]  
[Repeat 4]  
[Repeat 4]

When I need to be rescued you're there  
When I need a place to swim to in a storm  
I sing to you  
And all my life  
And in all my life

[Repeat 4]
