

# Sade, Mr. Wrong

He don't care  
Where he's been playing  
He doesn't hear  
A word she's saying  
She's a fancy girl  
So why's she staying  
Hanging on for mr. wrong  
He doesn't show her that he needs her  
She doesn't know his love's a liar  
She's a fancy girl - got to be strong  
Say so long - mr. wrong

Get out on your own girl  
Show him how  
You can be strong girl  
You don't need him now  
Run away, pretty girl  
Say so long - mr. wrong

Run away  
Bye bye
