

# Sade, The Sweetest Gift

Quietly while you were asleep  
The moon and I were talking  
I asked that she'd always keep you protected

She promised you her light  
That you so gracefully carry  
You bring your light and shine like morning

And then the wind pulls the clouds across the moon  
Your light fills the darkest room  
And I can see the miracle  
That keeps us from falling

She promised all the sweetest gifts  
That only the heaven's could bestow  
You bring your light and shine like morning

And as you so gracefully give  
Her light as long as you live  
I'll always remember this moment
