

Safety In Numbers, Lend Your Lungs

Send your dark salute.
Lend your lung, hero.
See I'm not the one to hear and sell.
To take and sell.
The only one around.
The only one around.
Brace yourself.

Trace your time, fossil.
Lend your lung, hero.
See I'm not the one to hear and sell.
To take and sell.
The only one around.
The only one around.
Brace yourself.
