

# SafetySuit, Anywhere But Here

Is this the end of the moment or just a beautiful unfolding  
Of a love that will never be or maybe be  
Everything that I never thought could happen or ever come to pass and I wonder  
If maybe, maybe I could be all you ever dreamed, cause you are

Beautiful inside, so lovely and I can't see why I'd do anything without you, you are  
And when I'm not with you, I know that it's true  
That I'd rather be anywhere but here without you

Is this a natural feeling or is it just me bleeding  
All my thoughts and dreams in hope that you will be with me or  
Is this a moment to remember or just a cold day in December, I wonder  
If maybe, maybe I could be all you ever dreamed cause you are

Beautiful inside, so lovely and I can't see why I'd do anything without you, you are  
And when I'm not with you, I know that it's true  
That I'd rather be anywhere but here without you

Is this the end of the moment or just a beautiful unfolding of a love that will never be for you and me  
Cause you are

You're beautiful inside, you're so lovely and I can't see why I'd do anything without you, you are  
And when I'm not with you, I know that it's true  
That I'd rather be anywhere but here without you
