

# SafetySuit, What If

What if it makes you sad at me  
And what if it makes you laugh now but you cry as you fall asleep  
And what if it takes your breath and you can't hardly breathe  
And what if it makes the last sound be the very best sound

What if what I want makes you sad at me  
Is it all my fault or can I fix it please  
Cause you know that I'm always all for you  
Cause you know that I'm always all for you

What if it makes you lose faith in me  
And what if it makes you question every moment you cannot see  
And what if it makes you crash, and you can't find the key  
And what if it makes you ask how you could let it all go

What if what I want makes you sad at me  
Is it all my fault or can I fix it please  
Cause you know that I'm always all for you  
Cause you know that I'm always all for you

And if this be our last conversation  
If this be the last time that we speak for awhile  
Don't lose hope and don't let go  
Cause you should know

If it makes you sad  
If it makes you sad at me  
Then it's all my fault and let me fix it please  
Cause you know that I'm always all for you  
Cause you know that I'm always all for you

What if what I want makes you sad at me  
And if it's all my fault then let me fix it please  
Cause you know that I'm always all for you  
Cause you know that I'm always all for you
