

SAFIA, You Are The One

Simple mind, play discreet
Lift the Earth from my feet
Cause these are the things that bloom
Get consumed, Follow scars,
Hold the key to my heart
And do what you do to me

Somehow, lately
You are the one,
You are the one,
You are the one, baby,
You are the one, baby,
You are the one,
Holding on makes me feel less crazy
You are the one,
Holding on makes me feel less crazy

Skin to the stone
Single breath to the bone
And feel all the things I do
Like a thief cloaked and masked
Steal the beat from my heart
And do what you do to me

You are the one,
Holding on makes me feel less crazy
You are the one,
Holding on makes me feel less crazy
You are the one,
You are the one,
You are the one,
You are the one,
You are the one,
Holding on makes me feel less crazy
You are the one,
Holding on makes me feel less crazy
