

# Safri Duo, All The People In The World

All the people in the world  
Every boy and every girl  
Just imagin that we could  
It isn't hard to do

All the people in the world  
Every boy and every girl  
Just imagin that we could  
Face up brother hood

All the people  
-All the people  
-All the people

All the people in the world  
Every boy and every girl  
Just imagin that we could  
It isn't hard to do

Give it up...

You just got to give it up

You just have to give it up

You just got to give it up.....2x

From the mountains to the sea

Through the valleys follow me

From down below to the way up high

Baby we can touch the sky

All the people in the world

- All the people in the world

Just imagin that we could

All the people in the world

- All the people in the world

Just imagin that we could

All the people in the world

Every boy and every girl

Just imagin that we could

Face up brother hood
