

# Saga, Alone Again Tonight

I've been waiting here so long  
For someone I can talk to  
Coz I know where we went wrong  
But it's really not the time or place  
To talk about the problems  
Now I've got you face to face  
I'll tell you what I'm thinking of  
Imagine how my heart feels  
Now I know I'm still in love  
Oh please don't cry  
But I need to tell you one more time  
I didn't mean to hurt you  
I never meant to complicate your life  
If I can hold you  
'Cause I don't wanna be alone again tonight  
Please don't look away  
I've tried to say I'm sorry  
For the things I never said  
We can talk about who's to blame  
But it really doesn't matter  
I'm so tired of playing games  
Oh please don't cry  
But I need to tell you one more time  
I didn't mean to hurt you  
I never meant to complicate your life  
If I can hold you  
'Cause I don't wanna be alone again tonight  
Oh please don't cry  
But I need to tell you one more time  
I didn't mean to hurt you  
I never meant to complicate your life  
If I can hold you  
'Cause I don't wanna be alone again tonight
