

# Saga, Bet On This

Gonna buy me a steel umbrella  
'Cause things ain't going too well  
I go to bed thinking I'm in heaven  
When I wake up I'm in hell  
Take my dog for his morning walk  
Shit am I glad he can't talk  
Sooner or later it all comes back to me  
You can bet on this If it can happen  
It'll happen to me  
(It'll happen to me)  
Bet on this, if it can happen  
Every time it happens  
Why does it happen to me  
Gonna buy me some more insurance  
This asphalt surfen's getting to me  
Accidents are an everyday occurrence  
If there's a God, He's laughing at me  
Might as well be the invisible man  
See my footprints sinkin' in the quicksand  
Sooner or later it all comes back to me  
Bet on this  
If it can happen  
(It'll happen to me)  
Bet on this, if it can happen  
Everytime it happens  
Why does it happen to me  
Bet on this If it can happen  
(Buy me a steel umbrella)  
It'll happen to me  
Bet on this  
(No doubt in my mind)
