

Saga, Danger Whistle

(spoken)

a) Leave Her Alone

Sometimes I hear you out in the hall
'Cause sometimes you stumble, then you fall
And sometimes you never come home at all
Sometimes I hear talking all through the night
But sometimes it sounds more like you're fighting
Sometimes I hide under the covers till daylight
Some nights you stay up with the girls and you play
Sometimes it's written on their faces
But someday I swear I'm gonna make you pay
I'll Never Be Like You
I'm not sure what the future holds for me
And I don't know where I'll go or who I'll meet
But I'll never be like you
