

# Saga, Home

You speak, when you are spoken to  
And buy what you've been sold  
You want, but you can't help yourself  
Maybe it's time to go home  
You smile, with a convincing grin  
And laugh, until you frown  
You play the game, you know you can't win  
If you want some shelter from the storm  
Somewhere you feel safe and warm  
You can always go home  
I think it's time to go home  
You cry, but you can't show your tears  
You lie, until you feel weak  
You're scared, but you can't hide your fears  
If you want some shelter from the rain  
Somewhere you can ease the pain  
You can always go home  
I think it's time to go home  
No questions asked  
No judgements passed  
And now, where have you been?  
Just nice to see you  
And welcome back  
Oh yes, you're finally home  
Laugh when you want to laugh  
Cry when you want to cry  
Smile when you want to smile  
Lie if you need to lie  
You smile with a convincing grin  
And laugh until you frown  
You play the game you know you can't win  
When you need shelter from the storm  
Somewhere you feel safe and warm, oh yea  
You can always go home  
It's time to go home  
No questions asked  
No judgements passed  
Now where have you been  
It's nice to see you  
Welcome back!  
Oh yes, you're finally home  
If you want shelter from the storm  
Somewhere we feel safe and warm  
Then you know, I know, you know  
We can always go home
