

# Saga, I'll Never Be Like You #1

I'm not sure what the future holds for me  
And I don't know where I'll go or who I'll meet  
But I'll never be like you  
a) My Name Is Sam (Finding A Friend)  
Wipe off my face  
What are you afraid of?  
I hate this place  
I'm swimmin' in the garbage  
Here I am I know that you can see me  
I need a hand "My name is Sam"
