

Saga, I'll Never Be Like You (Once Again)

So once again I'm gonna have to make some changes
I might get lost along the way
I'm sure I'll make some wrong decisions
And regret the things I say
I know it may be dangerous
I might have to walk along the edge
There'll be days when I won't recognize myself
And I won't know what to say
But I'll never be like you
I'll never be like you
If I decide it's time to walk a straight line
God only knows what I will find
I might talk to strangers I don't trust
And wake up wishing I was blind
But I'll never be like you
I don't know what I want
But I know what I must do
I'll never be like you
I might try to find myself a new religion
And believe what all the politicians say
Somewhere along the line
I know I'll bite off more than I can chew
But I'll never be like you
I don't know what I want
But I know what I must do
I'll never be like you
I don't know where I'll go
Or what I'm gonna do
But I'll never be like you I'll never be like you
