

# Saga, My Name Is Sam (Your Time Is Up)

My name is Sam

Oh ya

Your time is up

I'm the one who makes the decisions

My name is Sam

Oh ya

We won't need luck I'm watching you on your mission

&quot;My Name is Sam&quot;

I'm gonna roll your heart out, and use it for a carpet

&quot;My Name is Sam&quot;

I'm gonna walk you home, and shove you in your basket

You don't look well

Do you need your mother, or maybe your father?

I just can't tell

Just tell me why, why should I bother?

&quot;My Name is Sam&quot;

I'm gonna roll your heart out, and use it for a carpet

&quot;My Name is Sam&quot;

I'm gonna walk you home, and shove you in your basket
