

# Saga, On The Other Side

So there you are  
You've travelled so far  
breaking rules never meant to be broken  
living like there's no tomorrow  
You've spent most of your time  
criss-crossing the line  
speaking words never meant to be spoken  
'cos you feel your time is borrowed

[chorus]

It's never bin about "you know who"  
on the other side  
Someone's savin' a place for you  
on the other side

Day after day  
you continue to play  
only games you prefer when you're winning  
but still you feel rather hollow  
You still have some doubts  
what life's all about  
when in fact this is just the beginning  
and there's so much more to follow

[chorus]

It's never bin about "you know who"  
on the other side  
Just imagine what you can do  
on the other side

You dream the same dream  
like swimming upstream  
You're not sure what you'll find  
when you get there  
but you still feel overdriven

[chorus]

It's never bin about "you know who"  
on the other side  
Someone's savin' a place for you  
on the other side  
Just imagine what you can do  
on the other side  
It's never bin about "you know who"  
on the other side
