

# Saga, Rise And Shine

Colour blind  
Looks like it's dinner for two  
Anxious bride  
But still no sign of the groom  
Pantomime  
No one plays by the rules  
Now it's, closing time  
Back to your room with a view  
You've got another chance to

Rise and shine  
Or yesterday will slip into tomorrow  
You've gotta Rise and shine  
And in time you'll find someone to follow

Dim the lights  
Someone's tryin' to play us a tune  
Just wait in line  
I'm sure they'll be with you soon  
Friday's child  
Dances by the light of the moon  
Now it's, closing time  
Back to your room with a view  
You've got another chance to

[repeat chorus]
