

# Saga, The Road To Valhalla

There is a road and it leads to Valhalla  
Where only the chosen are allowed  
There is a boy, with a dream of Valhalla  
A place in the land of the Gods  
But in the heart, where the fire burns forever  
Where life goes on, for those who fell in battle  
The Gods are waiting, the moment he falls in a fight  
And he will rise when the sun goes down

He raised high his sword as he cried out Valhalla  
His dream had become reality  
And tonight he will die on the road to Valhalla  
Chosen to feast with the Gods  
But in the heart, where the fires burn forever  
Where life goes on, for the mighty  
And my king  
The journey has finally come to an end  
For the boy  
And he has risen as the greatest of them all
