

Saga, Time Bomb

Where were you today?
I'm not sure if I should tell you
What have you got to say?
I'm sorry
You said you want to stay
I know, I know, I know, I've tried
So why did you run away?
Can't ya see I'm tick'n like a time bomb
I'm tick'n like a time bomb
Won't somebody come and light my fuse
What will it be tonight?
I won't know until I get there
What do you hope to find?
Some answers
But tears may fill your eyes
I know, I know, but I'll be fine
So why do you need to fly?
I just know I've got to try
You've always had more than you need
So why are you a stranger to me?
Can't ya see I'm tick'n like a time bomb
I'm tick'n like a time bomb
Gettin' ready to explode
Don't you know I'm tick'n like a time bomb
I'm just tick'n like a time bomb
Won't somebody come and light my fuse
Where were you today?
I'm not sure if I should tell you
What have you got to say
I'm not sorry
You said you want to play
I know, I know, I know, I lied
So why'd you run away?
Show me
Show me I'll show you mine
I'm not blind
All revealed in good time
Tell me
Who made silence a crime?
Don't be shy
It's not all in my mind
Can't ya see I'm tick'n like a time bomb
I'm tick'n like a time bomb
Somebody light my fuse
I'm tick'n like a time bomb
I've got nothin' to lose
I'm tick'n like a time bomb
Won't somebody come and light my fuse
I'm tick'n like a time bomb
Don't ya know I'm tick'n like a time bomb
I'm tick'n like a time bomb
