

# Saga, What Do I Know?

You were once my vice  
Now you're just like ice  
So cold and too cool  
You know how to hypnotize  
You wear a great disguise  
I've learned to see through  
What do I know  
What do I know  
I'm confused by the things that you do  
What do I know  
What do I know  
I can't stop thinking about you  
I don't see wrong from right  
But I could see the light  
Stopped shining in you  
And on a distant night  
You went and lost the fight  
That made me look up to you  
What do I know  
What do I know  
I'm confused by the things that you do  
What do I know  
What do I know  
I can't stop thinking about you  
What do I know  
What do I know  
I'm confused by the things that you do  
What do I know  
What do I know  
I can't stop thinking about you  
What do I know  
What do I know  
I'm confused by the things that you do  
What do I know  
What do I know  
I can't stop thinking about you  
What did you change for  
No one could give you more  
What do I know  
What do I know  
I'm confused by the things that you do  
What do I know  
What do I know  
I can't stop thinking about you  
What did you change for  
No one could give you more
