Saga, Will It Be You

Im my wildest dreams
Oh, in my wildest dreams
Anything can happen
When I close my eyes
I can take you with me
Should I wait for you tonight
Oh...
In my wildest dreams
Are you in my future
Or someone from my past
I wake up with this feeling
That I've been with you at last
Oh...
In my wildest dreams
[Chorus]
Where do you go
And what do you see
Who do you touch
And how does it feel
In you wildest dreams
[Repeat Chorus]
Oh...
Oh...
[Repeat Chorus]
[Repeat Chorus]
In my wildest dreams
In my wildest dreams
In my wildest dreams
In my wildest dreams
