

# Sage Francis, Makeshift Patroit

Frank, what's up man?

I'm just watching some bullshit  
On the news. It's f\*\*king bullshit  
Reporters trying to a f\*\*king win an Emmy.

It's the Makeshift  
The Patriot  
The Flag Shop is Out of Stock  
I hang myself... via live telecast

Coming live from my own funeral, beautiful weather offered a nice shine  
Which is suitable for a full view of a forever altered skyline  
When times like these arrive I freestyle biased opinions every other sentence  
Journalistic ethics slip when I pass them off as objective  
"Don't give me that ethical shit."  
I've got exclusive, explicit images to present to impressionable American kids  
And it's time to show this world how big our edifice is!

That's exactly what they attacked when a typically dark skinned Disney villain  
Used civilians against civilians and charged the Trojan horses into our buildings  
Using commercial aviation as instruments of destruction  
Pregnant women couldn't protect their children  
Wheelchairs were stairway obstructions  
Now have to back pedal...from the shower of glass and metal  
Wondering how after it settles we'll find who provided power to radical rebels  
The Melting Pot seems to be calling the kettle black when it boils over  
But only on our own soil so the little boy holds a toy soldier..  
And waits for the suit and tie to come home. We won't wait 'til he's older  
before we destroy hopes for a colder war to end  
"Now get a close up of his head"

How does my hair look

Makeshift Patriot  
The Flag Shop Is Out of Stock  
I Hang Myself at Half Mast  
Run that tape back

Makeshift Patriot  
The Flag Shop Is Out Of Stock  
I Hang Myself at Half Mast  
Looks just like a movie

It's the make shift  
The patriot  
The Flag Shop is Out of Stock  
I hang myself  
while the stock markets crash

The city is covered in inches of muck  
I see some other pictures of victims are up  
Grieving mothers are thinking their children are stuck  
Leaping lovers are making decisions to jump  
While holding hands...to escape the brutal heat  
Sometimes in groups of the three

The fall out was far beyond the toxic cloud where people look like debris  
But all they saw after all was said...beyond the talking heads  
Was the bloody dust with legs looking like the walking dead calling for meds  
but Hospitals are overwhelmed. Volunteers need to go the hell home  
Moments of silence for fire fighters were interrupted by cell phones  
Who's gonna to make that call to increase an unknown death toll?  
It's the one we rally behind  
He's got a megaphone...and he's promising to make heads roll  
we cheer him on, but asbestos is affecting our breath control  
The lesser we know...the more they fabricate...the easier it is to sell souls

(Man talking)

There is a new price on freedom, so buy into it while supplies last.  
Changes need to be made;  
No more curbside baggage,  
Seven pm curfew,  
Racial profiling will continue with less bitching.  
We've unified over who to kill, so until I find more relevant scripture to quote,  
Remember, our god is bigger, stronger, smarter, and much wealthier.  
So wave those flags with pride, especially the white part.

We sell an addictive 24 hour candle light vigils in TV's  
Freedom will be defended...at the cost of civil liberties  
The viewers are glued to television screens  
Stuck... cause lots of things seem too sick  
I use opportunities to pluck heart strings for theme music  
I'll show you which culture to pump your fist at, which foot is right to kiss  
we don't really know who the culprit is yet...but he looks like this  
we know who the heroes are. Not the xenophobes who act hard  
&quot;We taught that dog to squat, how dare he do that shit in our own back yard!&quot;  
They happened to scar our financial state and char our landscape  
Can you count how many times so far I ran back this same damn tape?  
While a camera man creates news and shoves it down our throats on the West Bank  
With a ten second clip put on constant loop to provoke US angst  
So get your tanks and load your guns and hold your sons in a family huddle  
Cos even if we win this tug of war and even the score...humanity struggles  
There's a need of blood for what's been uncovered under the rubble  
Some of them dug for answers in the mess...but the rest were looking for trouble
