

Sagisu Shiro, The Image Of Me - Vocalise

Look at me what do you see?
Am I real or just a dream?
Am I something that you need?
Or just an image of me?

And if you stare into the fire too long,
Is the flame strong?
Or if you're lost inside a fantasy
Does it interbreed?

So if you think that you're in love with me
Or is it just the whole idea
You must be sure that every single thing
Is what you believe in

Look at me what do you see?
Am I real or just a dream?
Am I something that you need?
Or just an image of me?

Look at me what do you see?
Am I real or just a dream?
Am I something that you need?
Or just an image of me?

If every drop of rain stayed in the sky
Would the world just die?

Or if revolved around a different sun
Would our lives half began?

So if you think that you're in love with me
Tell me can you still be free?
For on the surface of most everything,
Something hides within

Look at me what do you see?
Am I real or just a dream?
Am I something that you need?
Or just an image of me?

(What do you, what do you see?
Or am I just a, just a dream?)

Am I something that you need?

(Something that you might need)

Look at me what do you see?
Am I real or just a dream?
Am I something that you need?
Or just an image of me?

(laughing)
