

SaGoh Twentyfourseven, Fallen Of Deaf Ears

Modern day Pharisee,
This is all so new to me,
See I have grown insipid to your lies
And every word you breathe is compromise.
You've held me down for way too long,
But where I am weak He is strong.
Your time here has been too much prolonged.

I hear you calling me;
Words fall on deaf ears,
I hear you calling me
But no one is listening.

Social day hypocrite,
I am so tired of the same old lines.
Your kingdom come and your opinion be done.
Judgment is assured for everyone
And we are all guaranteed to die.
And this is one philosophy that you cannot deny.

I hear you calling me;
Words fall on deaf ears,
I hear you calling me but no one is listening.
