

# Sahara, Tyalee

Wine it up wine it up  
Twirl it up twirl it up  
Break it up  
Shake it up  
Put it in the oven man  
And let me see yu do the thing  
Cause yu know say when we come we come fi  
Make it swing  
Watch mi now {bust it}

Clap yu hands clap yu hands  
Clap your hands and move your body  
Put your hands up put your hands  
Shake yu body shake it now

Clap yu hands clap yu hands  
Clap your hands and move your body  
Put your hands up put your hands  
Shake yu body shake it now

A never see a girl who can move like that  
Every time that she move her boody it pop  
Real sexy girl and she dressing so hot  
Diamond rings and she always have cash  
Woman in the dance get jealous over that  
But you can?t get jealous just step up a notch  
Let them know yu can get whe she got  
Work yu body out and get yourself hot

Can you feel it in my kiss  
In my touch baby  
You?re the only one i need  
You make me fly  
Can yu see the way yu hold me like this  
Baby you make me high high high girl i never say goodbye

Can you feel it in my kiss  
In my touch baby  
[keep it moving]  
You?re the only one i need  
You make me fly  
[watch me]  
Can yu see the way yu hold me like this  
Baby you make me high high high girl i never say goodbye  
(mae mi see you now!)
