

Sailor Moon, The Power Of Love

There comes a time
when you face the toughest of fights
searching for a sign
lost in the darkest of nights
the wind blows so cold
(you're) standing alone
before the battle's begun
but deep in your soul
the future unfolds
as bright as the rays of the sun
You've got to believe
in the power of love CHORUS
you've got to believe
in the power of love
Blazing emotions
there's a light, that flows from your heart
it's a chain reaction
and nothing will keep us apart
Stand by my side
there's nothing to hide
together, we'll fight to the end
take hold of my hand
and you'll understand
what it truly means to be friends
CHORUS
it gives meaning to each moment
it's what our hearts are all made of
You've got to believe, in the power of love
