

# Saint, Alfa & Omega

I saw the river of life  
Flowing from the throne  
Ending the curse, the curse of time  
For everyone He's known

[Bridge:]

Outside the gates are liars  
That's how the story goes  
Inside it's one big party  
And everybody knows

[Chorus:]

That He's the Alfa and the Omega  
Beginning and the End  
He puts the lightning in my thunder  
He's coming back again, yeah

With the mane of God

On their forehead

No need to light the day

He said I'm coming quickly

For those who've come my way

[Bridge & chorus]
