

Saint Etienne, Do It All

Right now I feel the need for some attention
Been kicking my heels in need of some affection
Been wasting so much time
Now I'm looking out for number one
I drank a little wine
And I've only just begun
But you never thought I'd call
And i want to do it all now baby
Last night I heard about your reputation
Get over here and give me some explanation
Been wasting so much time
Now I'm looking out for number one
I drank a little wine
And I've only just begun
But you never thought I'd call
And I want to do it all now baby
Said I want to do it all
I want to do it all
