## Saint Etienne, Dream Lover

You're a dream lo-o-o-over, It's a deep ri-i-i-iver.

And the clock in the hallway, It goes tick, tick, tickin' away, 'way Ah, ah.

I, I'm gonna dream a little longer now.

In the late su-u-u-umer, Could it be for-e-e-ever?

And I know that a phone call is going to, Take, take, take me away, 'way. Oh, oh.

I, I'm gonna dream a little longer now, Bye, I've gotta dream a little longer now.

And the clock in the hallway, It goes tick, tick, tickin' away, 'way. Ah, ah,

- I, I'm gonna dream a little longer now, And I, I've gotta dream a little longer now.
- I, I'm gonna dream a little longer now. (I won't let you go)
