

# Saint Etienne, It's All Gone Horribly Wrong

No hot water  
I think I oughta  
Call a plumber  
Oh dear what a bummer  
It's all gone horribly wrong  
It's all gone horribly wrong  
What am I gonna do?  
Phone's out of order  
I should have warned ya  
Have to write a letter  
Mother, things ain't get better  
It's all gone horribly wrong  
It's all gone horribly wrong  
What am I gonna do?
