

Saint Etienne, Stars Above Us

Stars above us
Cars below us
Out on the rooftop, baby

Stars above us
Cars below us
Nothing can touch us, baby

Just had to get out of there
I'm tired of all of those faces
Up here is out of sight
Outside with the breeze on our faces

Let's go
Up the stairway
My band
Doing it their way
Our sound's
Ruling all the airwaves
Butterflies taking flight

Stars above us
Cars below us
Out on the rooftop, baby

Stars above us
Cars below us
Nothing can touch us, baby

Stars above us
Cars below us
Out on the rooftop, baby

Stars above us
Cars below us
Nothing can touch us, baby

(Sun sets) over the city
(Won't you) come and catch it with me
(Follow me) right up the stairway
Let's have some fun tonight

Stars above us
Cars below us
Out on the rooftop, baby

Stars above us
Cars below us
Nothing can touch us, baby

Stars above us
Cars below us
Out on the rooftop, baby

Stars above us
Cars below us
Nothing can touch us, baby

Ooh, ooh, ooh
Out on the rooftops

Ooh, ooh, ooh
Out on the rooftops

Stars above us

Ooh, ooh, ooh
Out on the rooftops

Ooh, ooh, ooh
Out on the rooftops
