

Saison Ella Mae, If The Feeling Is Gone

If the feeling is gone
please don't pretend that you still love me
I can see it in your eyes
and it hurts to admit it
I can't tell that the feeling is gone

All i ask is just a little honestly
Though i know that you're not coming back to me
You know i'll do anything to make you stay
But i just have to let you know
If the feeling is gone

There is sadness in your smile
Though it try to conceive it
I can't tell if the feeling is gone

All i ask is just a little honestly
Though i know that you're not coming back to me
You know i'll do anything to make you stay
But i just have to let you know
If the feeling is gone

All i ask is just a little honestly
Though i know that you're not coming back to me
You know i'll do anything to make you stay
But i just have to let you know
I just have to let you know
If the feeling is gone....
