Saison Ella Mae, If The Feeling Is Gone

If the feeling is gone please don't pretend that you still love me I can see it in your eyes and it hurts to admit it I can't tell that the feeling is gone

All i ask is just a little honestly Though i know that you're not coming back to me You know i'll do anything to make you stay But i just have to let you know If the feeling is gone

There is sadness in your smile Though it try to conceive it I can't tell if the feeling is gone

All i ask is just a little honestly
Though i know that you're not coming back to me
You know i'll do anything to make you stay
But i just have to let you know
If the feeling is gone

All i ask is just a little honestly
Though i know that you're not coming back to me
You know i'll do anything to make you stay
But i just have to let you know
I just have to let you know
If the feeling is gone....
