

# Salad, Probl

I don't have a problem, why don't you come to me ?  
I don't have a problem, do you believe in me ?  
I don't have a problem, but always say please  
I don't have a problem, now get down on your knees

I don't have a problem, with les valseuses  
i don't have a problem, do you, do you ?

Mesdames et Messieurs, Fumer interdit  
Les valseuses du facteur, Mesdames et Messieurs  
"Votres" bagages s'il vous plait, J'ai le cafard comme tu vois  
La boulangerie se trouve tout droit  
La maison est jolie, L'oiseau chant avec les doigts trois fois  
Ecoutez, le chat s'est assis sur le tapis  
Merci, now down on your knees  
And always say please

I don't have a problem, Why don't you come to me ?
