

# Salem Hill, I Turn My Back On You

you give me life  
water above you pour it on when i'm thirsty for love  
you show me light  
lamps at my feet  
patterns and mysteries perfectly complete  
I turn my back on you

you give me life  
wine manna doves  
you fill me up when i'm hungry for love  
you give me hope  
days beyond days  
mansions of brilliance a glorious gaze  
I turn my back on you
