

Saliva, Lackluster

Heeeeeeyyyy,
And I'm fallin' away,
And my skin's turnin' grey with time.
Heeeeeeyyyy,
And I'm dead in my grave,
Why don't somebody tell me why?
(Somebody tell me why)
Coz' I'm helpless!
And I'm stupid!
And I'm helpless!
And I'm useless,
That's why I'm stuck in you...
Heeeeeeyyyy,
And I'm turnin' away
From a soul that you crave with desire...
Heey,
Can I give you the pain?
Can you take it away, coz tonight...
I wish that we'd never gone this faaaaaaaaaaaaaaaaaarrrrrr...
And I wish I could take it away,
And celebrate how wrong you arrrrreee...
And no-one can make me feel like you (Like you, to be like you)
And no-one can thrill me like you do (To be like you, to be like you)
Is it somethin' in your head?
Is there pleasure to your pain?
Is it words that you didn't say?
Or is it somethin' inside me?
I wish that we'd never gone this faaaaaaaaaaaaaaaaaarrrrrr...
And I wish I could take it away,
And celebrate how wrong you arrrrreee...
And no-one can make me feel like you (Like you, to be like you)
And no-one can thrill me like you do (To be like you, to be like you)
(Whispered):
I can feel your fingers inside me,
I can feel your eyes fixed upon me,
I can feel your legs wrapped around me,
(Heavy breathing)
I can feel your legs wrapped around me,
I can feel your eyes fixed upon me,
I can feel the heat from your body,
I can feel THE HEAT FROM YOUR BODYYYY!!!!

And no-one can thrill me like you do (To be like you, to be like you)
And no-one can make me feel like you (Like you, to be like you)
And no-one can kill me like you do (To be like you, to be like you)
